

Tenth Grade Classes

We offer **JAZZ, TAP, BALLET, HIP HOP and TUMBLING** classes to tenth grade students, each scheduled as separate classes. You may choose to take any one type of dance **OR** a combination of any of the five forms of dance.

Listed below are *ALL* of the classes that we offer to tenth grade students, from the beginning Level 1 classes to the most advanced classes for those students who have taken dance for several years. If you have dance experience, we will place you in a class for teacher evaluation based on your age and the number of years you have danced. The teacher will recommend an appropriate class after they have observed you dance.

Class size is limited, so we encourage the earliest possible registration. Please highlight the classes you wish to attend, from those listed below, and turn in this sheet, along with the registration form and studio policy form. (One studio policy form per family).
